

HOW DO I REGISTER FOR A SCOUT ACCOUNT?

SCAN ME

Can the Same Email Address Be Used for Multiple Scout Accounts?

Yes. The same email address can be used for multiple Scout accounts; however, each Scout account must have a unique username.

Do I need the app to Register?

No. Scouts can register at <https://login.trails-end.com/registration/scout> or scan QR code above without downloading the app. However, they'll likely want the app to record sales, share their online page, sign up for shifts, and more. Scouts who do download the app can tap Register on the main login screen to create an account as well.

THE TRAILS END APP
