

Dear Family and Friends,

Here is a wonderful opportunity to honor your Eagle Scout.

Our Service Center has an "Eagle Walk" where you can make your mark and help build the future of Scouting. Along the walk, your name, Troop number and the date you earned your Eagle will be created in the art of brick relief carving. This process was used over 2000 years ago by King Nebuchadnezzar as he rebuilt Babylon. Thousands of years later the brick relief carvings are still visible.

Just as bricks lay a foundation, Eagle Scouts can lay the foundation for future generations of young people to join the fun and adventure of Scouting.

## From Your Eagle Charge

*America has many good things to give to you and to your children after you; but these good things depend, for the most part, on the quality of manhood she can produce in her citizens. You come to help her in all that she needs most. She has a great past. You are here to make her future even greater.*

*Continue to build America on the solid foundation of clean living, honest work, unselfish citizenship and a reverence for God, and whatever others may do, you will leave behind a record of which every Scout maybe justly proud.*

Upon request, after full payment is received, we will print a certificate acknowledging your generous gift.
